

Geology (USGS, 2003)

- Edwards Group (basal nodular member)
- Upper Glen Rose Limestone member (interval A)
- Upper Glen Rose Limestone member (interval B)
- Upper Glen Rose Limestone member (interval C)
- Upper Glen Rose Limestone member (interval D)
- Upper Glen Rose Limestone member (interval E)
- Lower Glen Rose Limestone member

- Creeks (Dashed where intermittent)
- Fault Lines
- Karst Features
- Sink Holes Found 4-04

Note: Geologic units and faults were mapped by USGS, 2003. Aerial photo date: 2003.
