Re: Work plan and sampling analysis plan for closure of solid waste management units (SWMUs) at Camp Stanley Storage Activity (CSSA), Texas  
Solid waste registration number 69026  
EPA identification number TX2210020739

Dear Mr. Andrus:

On behalf of Camp Stanley Storage Activity, Parsons Engineering Science, Inc. (Parsons ES) is submitting a copy of the work plan and sampling analysis plan that outline the objectives and procedures for closure of SWMUs at the installation. A letter of notification regarding these closures was forwarded to the Texas Natural Resource Conservation Commission on 20 Feb 96.

If you have any technical questions concerning any aspect of these plans, please feel free to contact myself or Brian Murphy of CSSA at 210/698-5208.

Sincerely,

Susan V. Roberts  
Project Manager
