Dear LTC Shirley:

The Texas Commission on Environmental Quality (TCEQ) received the report entitled *Final June 2004 Off-Post Quarterly Groundwater Monitoring Report* dated October 2004. The TCEQ received the report on December 3, 2004. The report provided laboratory analytical results of groundwater collected from off-post drinking water wells and monitoring wells during the June 2004 sampling events. Samples of off-post groundwater drinking water wells and monitoring wells were collected at Fair Oaks area, Hidden Springs Estates, I-10 area, Jackson Woods Subdivision, Leon Springs Villa area, Old Fredericksburg Road and Ralph Fair Road areas. The report specified that it fulfills the groundwater quarterly reporting requirements of CSSA's Data Quality Objectives.

The TCEQ has reviewed the report and the TCEQ accepts the report.
