

Table 4.1 Summary of Remedial Investigation, Phase I Field Activities

Task	Number of Soil Borings	Soil Boring Footage	Number of Subsurface Soil Samples*	Number of Surface Soil Samples*	Number of		Geo-technical Analyses	Geo-physical Survey Traverses
					Surface Water Samples*	Sediment Samples*		
Prescreening/UXO Survey	--	--	--	--	--	--	--	--
Magnetometer Survey	--	--	--	--	--	--	--	100 (50' each)
Subsurface Drilling	20	250	30**	--	--	--	3	--
Verification Sampling	--	--	--	50***	3	7	6	--

* Does not include QA/QC samples.

** Includes 10 subsurface samples for background analysis.

*** Includes 10 surface soil samples for background analysis.
