Mr. Didier,

Per our telephone conversation Camp Stanley Storage Activity forwarded hazardous waste materials to your facility via Coal City Cob Company under State of Texas Manifest Numbers 00945573 and 01033618. Manifest 00945573 item c has an incorrect waste code number in column l, it should read D6SX309H instead of D65X309H. On manifest 01033618 item b, column l, an additional waste code should be added, D7LB309H, along with the existing number D7L8309H.

A copy of these corrections will be forwarded to TNRCC, Waste Evaluation Section for their records.

Should there be any questions please contact me on (210) 698-5308.
