Submittal of closure certification report for the F-14 less-than-90-day
accumulation site

Dear Sir:

In accordance with 30 TAC 335.554(f), Parsons Engineering Science is submitting the closure certification report for the F-14 accumulation site on behalf of Camp Stanley Storage Activity. The site is located at Camp Stanley Storage Activity (Bexar County), Boerne, Texas. Enclosed are two copies of the closure certification report, and two copies of the F-14 site investigation report (Engineering Science, Inc., February 1993). By transmittal of this letter, one copy of each report has also been sent to TNRCC Region 13 Industrial and Hazardous Waste Division.

If you have any questions or comments, please contact the Camp Stanley Storage Activity Environmental Officer, Mr. Brian Murphy, at 210/221-7453, or myself at 512/719-6000.

Sincerely,

Susan V. Roberts
Project Manager
